DIGEST OF HB 1062 (Updated February 25, 2014 4:13 pm - DI 58)

Citations Affected: IC 5-1; IC 6-1.1; IC 20-27; noncode.

Synopsis: Local government finance. Provides that for all political subdivisions, the maximum amount allowed for an operating balance for a debt service fund is 50% of the budget estimate for annual debt service payments from the fund for debt originally incurred before July 1, 2014, including refinanced debt, and 15% on debt originally incurred after June 30, 2014. Permits a school corporation that experiences at least a 10% loss to the school corporation's transportation fund due to circuit breaker credits in 2014, 2015, or 2016 to use a proportional circuit breaker credit allocation for that year. Permits a school corporation that experiences at least a 20% loss to the school corporation's levies due to circuit breaker credits to use debt restructuring by adopting a resolution before January 1, 2019. Specifies that if a taxpayer appearing at the public hearing files a written objection to the proposed restructuring and a sufficient number of people request a petition and remonstrance process, the bonds may not be issued unless more petitioners than remonstrators sign the petition. Permits three school corporations to participate in a pilot project to allow commercial advertising on school buses.

corporation is at least twenty percent (20%), regarding the year for which the latest certified levies have been determined. A school corporation shall compute its percentage as follows:

(1) Compute the amount of credits granted under IC 6-1.1-20.6 against the school corporation's combined levy for the school corporation's:

(A) debt service fund, as described in IC 20-46-7-15;

(B) capital projects fund;

(C) transportation fund;

(A) capital projects fund;

(B) transportation fund;

(C) school bus replacement fund; and

(D) racial balance fund.

(3) Divide the amount computed under subdivision (1) by the amount computed under subdivision (2) and express it as a percentage.

A school corporation that desires to be an eligible school corporation under this section must submit a written request for a certification by the department of local government finance that the computation of the school corporation's percentage computed under this subsection is correct. (d) A school corporation that desires to be an eligible school corporation under this section ~~must satisfy the following conditions: (1) The school corporation shall conduct a public hearing and provide notice of the purpose of the hearing and the time, date, and place of the hearing, published as required by IC 5-3-1, before the school corporation may adopt a resolution under this section. At the public hearing, the governing body must provide the following information:~~

If the amount determined under subsection (c)(3) is:

(A) more than forty-five percent (45%); notwithstanding IC 6-1.1-20-3.1(a) and IC 6-1.1-20-3.2(a); the school corporation shall use the petition and remonstrance process prescribed by IC 6-1.1-20-3.1(b) and IC 6-1.1-20-3.2(b) and more individuals must sign the petition for the bond refunding under this section than the number of individuals signing a remonstrance against the bond refunding; or

(B) at least thirty percent (30%) but not more than forty-five percent (45%); the school corporation shall conduct a referendum on a public question regarding the bond refunding using the process for a referendum tax levy under IC 20-46-1 and the bond refunding must be approved by the eligible voters of the school corporation. The question to be submitted to the voters in the referendum must read as follows:

"Shall _____ (insert the name of the school corporation) issue refunding bonds to refund not more than fifty percent (50%) of its outstanding bonds to provide an annual savings to the school's debt service fund that can be transferred from the school's debt service fund to the school's capital projects fund; transportation fund; or school bus replacement fund?"

(3) The requirements of this subdivision apply to a school corporation that adopts a resolution under subsection (g) before January 1, 2014, and that has a percentage computed under subsection (c) that is at least twenty percent (20%); as certified by the department of local government finance. (iii) The amount of homestead assessed valuation in the school corporation for calendar year 2011 was at least sixty percent (60%) of the total amount of assessed valuation in the school corporation for calendar year 2011.

(e) A school corporation meets the requirement of subsection (d)(3)(A) if:

(1) the school corporation submits to the distressed unit appeal board the school corporation's financial plan for paying any refunding bonds issued under this section; and

The distressed unit appeal board must either approve or disapprove the financial plan not more than sixty (60) days after the later of the date the school corporation submits the financial plan under this subsection or the date on which the department of local government finance certifies the percentage computed for the school corporation under subsection (c). The distressed unit appeal board may not unreasonably deny approval of a school corporation's financial plan under this subsection.

(e) If at least one (1) taxpayer appearing at the public hearing under subsection (d) objects to the proposed resolution and files a written objection with the governing body of the school corporation and the county auditor not more than ten (10) days after the public hearing, a petition requesting the application of a petition and remonstrance process may be filed not more than thirty (30) days after the public hearing by one hundred (100) persons who are either owners of property within the school corporation or registered voters residing within the school corporation. Except as provided in this subsection, the provision of IC 6-1.1-20-3.1(b) governing the initiation of a petition and remonstrance process for a controlled project (including the provisions governing verification of petitions) apply to a petition under this subsection requesting the application of a petition and remonstrance process. determine whether the governing body of the school corporation may adopt a resolution under subsection (g) and issue refunding bonds as provided in subsection (g).

(2) The governing body of the school corporation may not adopt a resolution under subsection (g) and may not issue refunding bonds as provided in subsection (g) unless more individuals sign the petition for the bond refunding under this subsection than the number of individuals signing a remonstrance against the bond refunding under this subsection.

Except as provided in this subsection, the provision of IC 6-1.1-20-3.2(b) governing the petition and remonstrance process for a controlled project apply to a petition and remonstrance process under this subsection.

~~(3)~~ (2) A determination providing for the:

(F) A finding that the annual debt service or lease payment on the refunding bonds will not increase the annual debt service or lease payment above the annual debt service or lease payment approved by the school corporation for the original project.

If the governing body adopts a resolution under this section, the governing body must publish notice of the adoption of the resolution as required by IC 5-3-1.

(h) An eligible school corporation may issue refunding bonds as permitted by this section. In addition, an eligible school corporation may extend the repayment period beyond the repayment period for the bonds that are being retired or refunded by the issuance of refunding bonds. However, the repayment period may be extended only once for a particular bond, and the extension may not exceed ten (10) years after the latest maturity date for any of the bonds being retired or refunded by the eligible school corporation under this section.

(i) Property taxes imposed by an eligible school corporation to pay debt service for bonds permitted by this section shall be considered for purposes of calculating the limits to property tax liability under Article 10, Section 1 of the Constitution of the State of Indiana and for calculating a person's credit under IC 6-1.1-20.6-7.5. However, property taxes imposed by an eligible school corporation through December 31, 2019, to pay debt service for bonds permitted by this section may not be considered in an eligible county, as used in Article 10, Section 1(h) of the Constitution of the State of Indiana, for purposes of calculating the limits to property tax liability under Article 10, Section 1 of the Constitution of the State of Indiana or for calculating a person's credit under IC 6-1.1-20.6-7.5.

~~(j) If a school corporation described in subsection (d)(3)(B) issues refunding bonds as permitted by this section, the school corporation must, not more than sixty (60) days after the department of local government finance certifies the school corporation's percentage under subsection (c), report information concerning the refunding to the distressed unit appeal board. The distressed unit appeal board shall make a non-binding review with recommendations regarding the school's financial condition and operating practices.~~

SECTION 2. IC 6-1.1-17-22 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 22. (a) In determining the amount of the**

levy for a debt service fund for an ensuing year, the maximum amount allowed for an operating balance in the debt service fund is the sum of:

- (1) fifteen percent (15%) of the budget estimate for the debt service fund for the ensuing year for debt originally incurred after June 30, 2014; plus
- (2) fifty percent (50%) of the budget estimate for the debt service fund for the ensuing year for debt originally incurred before July 1, 2014.

If debt is refinanced, the date the refinanced debt was originally incurred, and not the date that the refinancing is closed, is the date to be used for purposes of this subsection.

(b) For purposes of IC 6-1.1-20.6-9.5, the property taxes allowed for an operating balance in the debt service fund under this section may not be construed as an increase in a political subdivision's property tax levy to make up for a reduction in property tax collections resulting from the application of credits under IC 6-1.1-20.6.

SECTION 3. IC 6-1.1-20.6-9.9 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9.9. (b) A school corporation that desires to be an eligible school corporation under this section must, before May 1 of the year for

1 which it wants a determination, submit a written request for a

 5 finance shall, not later than June 1 of that year, determine whether
 6 the percentage computed by the school corporation is accurate and
 7 certify whether the school corporation is eligible under this section.

8 (c) For a school corporation that is certified as eligible under
 9 this section, the school corporation may allocate the effect of the
 10 credits granted under this chapter proportionately among all the
 11 school corporation's property tax funds that are not exempt under
 12 section 7.5(b) or 7.5(c) of this chapter, based on the levy for each
 13 fund and without taking into account the requirements of section
 14 9.8 of this chapter regarding protected taxes.

 16 AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY

 30 windshield or any other window;
- 31 (2) impedes the school bus driver's operation of any
 32 equipment;
- 33 (3) distracts the attention of other motorists from the school
 34 bus's warning lamps or stop signal arm when the school bus
 35 is loading or unloading students; or
- 36 (4) obscures the number or name of the school corporation.

37 (d) The rules adopted under subsection (b) must provide that
